Dear Ms. Bovee:

This letter is to advise you that the 01/09/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

R 400.8122(7) Lead caregiver qualifications.	One of toddler lead caregivers did not have 4.5 ceu's or 45 hours of MiRegistry approved infant and toddler development and care practices.	The current will complete the 4.5 ceu's or another qualified lead teacher will be replaced.	1/9/23

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
