Dear Ms. Daugherty:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/19/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection, I reviewed children’s records and child care staff members’ records. I observed children in care engaged in a variety of developmentally appropriate activities, including eating lunch and story time. I also observed toileting, handwashing, and an in-house animal field trip. The child care staff members’ interaction with the children was positive and nurturing.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
