Findings of the Inspection

A copy of this Interim Inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when Interim Inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim Inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

During the on-site inspection, I reviewed children’s records and staff members’ files. I observed children in care engaged in a variety of developmentally appropriate activities, including outdoor play and reading. I also observed toileting, hand washing, meal service, and nap time. The caregivers’ interactions with the children were positive and nurturing. They were attentive to the children’s needs.

As a result of the Interim Inspection on 05/15/2024, licensing consultant, Alicia Wiggins, did not find any rule or law violations.

If you have any questions regarding the report, please contact licensing consultant, Alicia Wiggins, at (248) 369-7892 wigginsa@michigan.gov.
