Dear Mrs. Steinmetz:

This letter is to advise you that the 05/08/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8152(3) Medication; administrative procedures.	All prescription medication on site was not in its original container.	I will send a note to parents requesting the original boxes of the prescription today.	05/19/2023
R 400.8152(4) Medication; administrative procedures.	There was one prescription medication without the prescription label.	I will let parent know to bring in the prescription box.	05/19/2023
R 400.8380 Maintenance of premises.	There were several missing and damaged ceiling tiles throughout the child care center.	Will continue to work with the school to get new roof installed. Will also apply for expansion grant.	05/08/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
