III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.8128 Staff; volunteer; tuberculosis.

A center shall keep on file at the center evidence to verify that each child care staff member and each volunteer who has

contact with children at least 4 hours per week for more than 2 consecutive weeks is free from communicable tuberculosis (TB). Verification of TB status is required within 1 year before employment or volunteering.

Child care staff member DM did not have a TB test on file.

R 400.8131 Professional development requirements.

(12) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 month of the notice.

Child care staff members DM and YC did not complete the health and safety refresher course on MiRegistry.

R 400.8131 Professional development requirements.

(4) Before unsupervised contact with children, all child care staff members who work directly with children shall complete prevention and control of infectious disease training, including immunizations.

Child care staff member DM did not take prevention and control of infectious disease training, including immunizations.

R 400.8131 Professional development requirements.

(5) Within 90 days of being hired, or the first day as an unsupervised volunteer, all child care staff members and unsupervised volunteers who work directly with children shall complete the following trainings, which may count toward annual professional development hours and are available at MiRegistry:

- (a) Administration of medication.
- (b) Prevention of and response to emergencies due to food and allergic reactions.
- (c) Building and physical premises safety.
- (e) Handling and storage of hazardous materials and appropriate disposal of bio-contaminants.
- (f) Precautions in transporting children, if applicable.

Child care staff member YC did not take the training topics listed above.

R 400.8131 Professional development requirements.

(6) All child care staff members who work directly with children shall complete 16 clock hours of professional development annually on topics relevant to job responsibilities that include, but are not limited to, any of the following subjects:

- (a) Child development and learning.
- (b) Health, safety, and nutrition.
- (c) Family and community collaboration.
- (d) Program management.
- (e) Teaching and learning.
- (f) Observation, documentation, and assessment.
- (g) Interactions and guidance.
- (h) Child care center administrative rules.

Child care staff members SG and DM did not complete 16 clock hours of professional development for 2021.

R 400.8152 Medication; administrative procedures.

(2) A child care staff member shall give or apply medication, prescription or nonprescription, only with prior written permission from a parent.

Four children with medication did not have written permission from a parent.

R 400.8152(4) Medication; administrative procedures.

(4) Prescription medication must have the pharmacy label indicating the physician's name, child's first and last name, instructions, name and strength of the medication, and must be given according to those instructions.

All prescription medication did not have a pharmacy label indicating the physician's name, child's first and last name, instructions, and name and strength of the medication. Two epi-pens were not in the original container with the prescription label.

R 400.8380 Maintenance of premises.

(4) Floors, interior walls, and ceilings must be kept in sound condition, good repair, and maintained in a clean condition.

Classroom one has 14 missing ceiling tiles with at least 12 damaged ceiling tiles, classroom three's handwashing sink ledge is pulling apart from the sink.

I provided training and technical assistance on the following Licensing Rules for Child Care Centers:

R 400.8143 Children's records. We discussed adding children's date of admission to child information cards.

R 400.8110 Applicant; licensee; licensee designee; requirements. We discussed Ms. Steinmetz organizing the licensing binder.

IV. RECOMMENDATION

I recommend issuance of a regular child care license to this child care center.
