III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.8143

Children's records.

(6) Within 30 days of a child's initial attendance, a center shall obtain, keep on file, and make accessible in the center a record of a physical evaluation of the child that notes any restrictions and is signed by a physician or the physician's designee. An electronic record from a physician's office will be accepted. The physical evaluation must be performed within 1 of the following time limits:

(c) For preschoolers, within the preceding 12 months.

Out of the 10 children's records reviewed, 3 children did not have physical evaluations on file.

R 400.8510

Plans and specifications; submission; approval; inspections.

(5) Fuel-fired furnaces shall be inspected by a licensed mechanical contractor before issuance of an original license and every 2 years at renewal.

The center did not have fuel-fired furnaces inspection at the time of renewal.

R 400.8510

Plans and specifications; submission; approval; inspections.

(6) Fuel-fired water heaters shall be inspected by a licensed mechanical contractor or a licensed plumbing contractor before issuance of an original license and every 2 years at renewal.

The center did not have fuel-fired water heaters inspected at the time of renewal.

Technical assistance was provided regarding the following:

Signed abuse/neglect statement for parent volunteers.
Modifying the licensing notebook statement.
Medication permission form for Epi-Pen.
Update child information cards.

A corrective action plan was requested and approved on 04/19/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of regular license to this child care center.
