Dear Ms. Morse,

This letter is to advise you that the 2/28/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.8131(12)	Out of the 5 staff records reviewed, 1 staff member did not complete the health and safety update for 2023.	Staff member will receive the link and complete the health and safety refresher course for 2023.	March 22, 2024
R 400.8131(5)	Out of the 5 staff records reviewed, 2 staff members did not complete the health and safety training topics covered in this rule.	Staff will be notified and given the correct links to complete the health and safety training. Since this is the long training, I want to give them over Spring Break to work on it.	April 1, 2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
