Dear Ms. Morse:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 02/23/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8131

Professional development requirements.

(12) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 month of the notice.

Out of the 8 staff records reviewed, 5 staff members did not complete the health and safety update training activity published on MiRegistry.

R 400.8143

Children's records.

(1) At the time of a child's initial attendance, a center shall obtain a child information card, using a form provided by the department or a comparable substitute, that is completed and signed by the child's parent. The center shall keep it on file and accessible in the center.

Out of the 10 children's records reviewed, 4 child information cards did not have the allergies completed, 2 cards did not have the date signed by the parent, 2 cards did not have the employer name and phone number and none of the cards had the date of admission filled out.

R 400.8325

Sanitization.

(1) All tableware, utensils, food contact surfaces, and food service equipment must be thoroughly washed, rinsed, and sanitized after each use. Multi-purpose tables must be thoroughly washed, rinsed, and sanitized before and after they are used for meals or snacks.

The multipurpose tables in the toddler room were not thoroughly washed, rinsed, and sanitized before and after they were used for snacks.

Technical assistance was provided for the following:

Peeled paint in the play-room and the primary bathroom.
Diapering procedures in the bathroom.
Washing hands after snacks.
Cord in the passage to access outdoor play area.
First and last name on the bottles.
Amount of food eaten by infants/toddlers to be specified.

On 2/23/22, you gave us an acceptable written corrective action plan.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) 284 - 9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Yedur".
