Dear Ms. Tank:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 11/21/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

(3) In each room or well-defined space, the maximum group size and ratio of child care staff members to children, including children related to a staff member or the licensee, must be as shown in Table 4:

Age	Child Care Staff member to Child Ratio	Maximum Group Size
a)Infants and toddlers, birth until 30 months of age	1 to 4	12

On 11/21/2022, I observed five children in the younger infant area with one caregiver.

Due to the violations, you must send us a corrective action plan by 1/19/2023. You can use our corrective action plan form or create your own.

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, there will be no change to your license status.
