Dear Mrs. Sproat:

This letter is to advise you that the 05/04/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8125(1) Staff; volunteer; requirements.	On 03/22/2023 appropriate care and supervision was not provided when Child E was left unsupervised in the PreK bathroom and classroom for approximately 5 minutes.	Staff were retrained in name to face process and reminder signs posted inside classrooms and on the playground door. Children will get ready in the classroom to go outside. Large groups of children will be separated into 2 groups and transition separately. The last teacher in the classroom will check the bathroom and close the bathroom door and check the classroom and close the classroom door.	Immediately 05/04/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
