Dear Ms. Saleh,

This letter is to advise you that the 01/26/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Special Investigation Case, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1)	Based on the interviews that were conducted, there is insufficient evidence to support that CCSM 1 has fallen asleep in a rocking chair while holding her daughter. However, CCSM 1 admitted that she has closed her eyes while she was rocking her daughter to sleep. While CCSM 1's eyes are closed, she is not ensuring that the children are receiving appropriate care and supervision.	CCSM1 no longer works for Early Explorers Academy. However, all infant caregivers will be retrained on proper supervision of care while rocking babies, including keeping their eyes open and constantly surveying the room.	02/19/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
