Dear Ms. Black,

This letter is to advise you that the 1/8/24 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8152(4)	One of the EpiPens did not have a pharmacy label on it indicating all the details mentioned in the stated rule.	Pharmacy label will be brought in my parent for EpiPen	1/1/2024
R 400.8176(16)	None of the cots at the center were washed and rinsed before sanitization, between uses by different children.	3 step cleaning will be done on each cot after use	1/1/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
