Dear Ms. Bouren:

This letter is to advise you that the 03/30/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8112 (1)(c) Comprehensive background check; fingerprinting.	Two of the two child care staff members' eligibility was not determined before they had unsupervised contact with the children.	All teaching staff will be fingerprinted again in order to be attached to Lollipop Cooperative Preschool on the CCBC website. Staff members are responsible for getting their fingerprinting completed.	03/30/2022
R 400.8152 (4) Medication; administrative procedures.	One child's epinephrine did not have the pharmacy label on it indicating the physician's name, child's first and last name, instructions, name, and strength of the medication.	Epi-pen will be stored in its original packaging. New Epi-pens supplied to the school will only be accepted in its original packaging. Staff is responsible for checking for original packaging.	03/30/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
