Dear Ms. Cavicchiolo:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/26/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection, I reviewed children’s records and child care staff members’ records. I observed children in care engaged in a variety of developmentally appropriate activities, including coloring, playing board games, and playing with Legos and Barbie dolls. The child care staff members’ interactions with the children were positive and nurturing.

As a result of the inspection, I did not find any rule or law violations.

Technical Assistance and Consultation were provided for the following:

- Rake the mulch under the swings and slide.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
