RE: License # DC630401649
Premier Academy - Rochester Hills LLC
2991 W Tienken Rd
Rochester Hills, MI 48309

Dear Ms. Isley:

This letter is a follow-up to the on-site inspection conducted at your center on 01/12/2022. The purpose of this inspection was to determine compliance with some of the applicable licensing statutes and administrative rules for Child Care Centers.

The rule violations were as follows:

R 400.8122 Lead caregiver; qualifications; responsibilities.

(1) Lead caregivers are required only for groups of children who are preschool age and younger.

There was no qualified lead caregiver in pre-k room.

R 400.8176 Sleeping equipment.

(13) Soft objects, bumper pads, stuffed toys, blankets, quilts, comforters and other objects that could smother a child must not be placed in, or within reach of, a crib or porta-crib with a resting or sleeping infant.

A 11-month-old infant was sleeping with a blanket in the crib.

On 1/12/22, you gave us an acceptable written corrective action plan.

Due to the infant safe sleep violation(s), all of your infant caregivers must take training on infant safe sleep. This must be included in your corrective action plan. In addition, a follow up inspection may be made to check compliance with the infant safe sleep rules.

Due to the violations stated above, the center will continue on increased monitoring.

You can find a copy of this confirming letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when confirming letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (517) .

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,
