Dear Ms. Langolf:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 03/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8125 Staff; volunteer; requirements.

(5) A written statement must be signed and dated by staff and volunteers at the time of hiring or before volunteering indicating all of the following information:

(a) The individual is aware that abuse and neglect of children is against the law.

(b) The individual has been informed of the center's policies on child abuse and neglect.

(c) The individual knows that all staff and volunteers are required by law to immediately report suspected abuse and neglect to children's protective services.

A written statement indicating that staff are aware that child abuse and neglect of children is against the law, that an individual has been informed of the center's policies on child abuse and neglect, and that individuals know that they are required by law to immediately report suspected abuse and neglect to children's protective services was not signed and dated by staff. One of five reviewed staff files did not contain this document.

On 03/24/2022, you gave us an acceptable written corrective action plan.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
