III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.8110 Applicant; licensee; licensee designee; requirements.

(6) The licensee or licensee designee shall maintain accurate records detailing daily arrival and departure times for each child care staff member, child care aide, and volunteer.

The cook was not signed in on the attendance sheet.

R 400.8131 Professional development requirements.

(2) Child care staff members shall have training that includes information about prevention of sudden infant death syndrome and use of safe sleep practices before caring for infants and toddlers.

Three staff members did not complete the required training.

R 400.8131 Professional development requirements.

(3) Before caring for children, all child care staff members and unsupervised volunteers who work directly with children shall be trained on prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect.

Three staff members did not complete the required training.

R 400.8131 Professional development requirements.

(4) Before unsupervised contact with children, all child care staff members who work directly with children shall complete prevention and control of infectious disease training, including immunizations.

Three staff members did not complete the required training.

R 400.8131 Professional development requirements.

(5) Within 90 days of being hired, or the first day as an unsupervised volunteer, all child care staff members and unsupervised volunteers who work directly with children shall complete the following trainings, which may count toward annual professional development hours and are available at MiRegistry:

- (a) Administration of medication.

- (b) Prevention of and response to emergencies due to food and allergic reactions.
- (c) Building and physical premises safety.
- (d) Emergency preparedness and response planning.
- (e) Handling and storage of hazardous materials and appropriate disposal of bio-contaminants.
- (f) Precautions in transporting children, if applicable.
- (g) Child development.

Two staff members did not complete the required training.

R 400.8143 Children's records.

- (1) At the time of a child's initial attendance, a center shall obtain a child information card, using a form provided by the department or a comparable substitute, that is completed and signed by the child's parent. The center shall keep it on file and accessible in the center.

Ten child information cards were reviewed and seven were missing one or more of the following: parents work information, allergies, special needs, special instructions, other release, and permission for emergency medical treatment.

REPEAT VIOLATIONS ESTABLISHED

LSR dated 10/21/2021

CAP dated 11/19/2021

R 400.8143 Children's records.

- (2) Child information cards must be reviewed and updated by parents at least annually and when the center becomes aware of changes.

Seven child information cards were not updated annually.

R 400.8143 Children's records.

- (6) Within 30 days of a child's initial attendance, a center shall obtain, keep on file, and make accessible in the center a record of a physical evaluation of the child that notes any restrictions and is signed by a physician or the physician's designee. An electronic record from a physician's office will be accepted. The physical evaluation must be performed within 1 of the following time limits:

- (c) For preschoolers, within the preceding 12 months.

One child's physical did not note restrictions.

R 400.8143 Children's records.

- (7) Physical evaluations must be updated as follows:
 - (a) Yearly for infants and toddlers.

One child's physical was not updated yearly.

R 400.8315 Food and equipment storage.

- (3) Unpackaged bulk foods must be stored in clean covered containers, dated, and labeled as to the contents.

The open food in the kitchen were not dated when opened and the containers were not labeled with the contents.

A corrective action plan was requested and approved on 07/15/2022. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
