RE: License # DC630406259
KinderCare Learning Center
2222 S. Lapeer Rd.
Lake Orion, MI 48360

Dear Mrs. Moore:

This letter is a follow-up to the on-site inspection conducted at your center on 12/02/2022. The purpose of this inspection was to determine compliance with some of the applicable licensing statutes and administrative rules for Child Care Centers. The center was not in compliance with the following rule:

R 400.8161(6) Emergency procedures.

A tornado drill program, consisting of at least 2 tornado drills between the months of March through November, must be established and implemented.

The center did not have a program consisting of 2 tornado drills to be conducted March through November for 2022.

On 12/2/22, you gave us an acceptable written corrective action plan. The increased monitoring visits are discontinued.

You can find a copy of this confirming letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when confirming letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook, if you maintain one on the premises.

Sincerely,

A handwritten signature in black ink, appearing to read "B. Yedur".
