Dear Ms. Junious:

This letter is to advise you that the 08/09/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8125(1) Staff; volunteer; requirements.	On 05/24/2023 Staff 11 did not provide appropriate care and supervision of Child A, Child B, Child J, and Child L. Staff 11 left the four children alone in the Discovery Preschool 1 classroom.	All staff and volunteers will provide appropriate care and supervision of children at all times. Staff 11 is no longer an employee. A staff meeting with all staff and the District Leader was held to review the Licensing rule and KinderCare’s sight and sound supervision policy.	05/24/2023 06/05/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
