RE: License #: DC630410443
The Joyful Jungle - Clawson
529 Grove
Clawson, MI 48017

Dear Ms. Flanagan:

Attached is the Addendum to the Original Licensing Study Report for the above referenced facility.

Please review the enclosed documentation for accuracy and contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (248) 975-5053.

Per MCL 722.113g, this report must be filed in your licensing notebook.

Sincerely,

J. Manchester

| Facility Telephone #: | (248) 280-1380 |
| Capacity: | 73 |
| Program Type: | CHILD CARE CENTER |

II. Purpose of Addendum

To increase capacity based on the installation of the new fire suppression system.

III. Methodology

05/26/2022 Fire Inspection "A"

06/17/2022 Inspection Completed Onsite

IV. Description of Findings and Conclusions

A new fire suppression system was installed to increase capacity at this center. A fire inspection was completed on 5/26/2022, and an "A" rating was given.

Pre-K Room 1 (Zebra/Flamingo) -This space is divided by furniture into two separate learning groups (Zebras for ages 3 and up, and Flamingo for ages 4 and up). Under this operation, Ms. Flanagan expressed an understanding that this space requires two lead caregivers.

I measured the Zebra area. It measures 29.5 feet x 21 feet and 16.5 feet x 6 feet for a total of 718 square feet. This can accommodate up to 20 (3-year-old) children based on 35 square feet per child.

I measured the Flamingo area. It measures 25 feet x 25 feet for a total of 625 square feet. This can accommodate up to 17 (4-year-old) children based on 35 square feet per child.

The new capacity for the Pre-K Room 1 will be 37 children total.

The following rooms have been previously measured and approved for use by the children:

Older toddler room 2 (Outstanding Owls) measures 32ft. x 21ft. plus 10ft. x 3ft. for a total of 702 square feet. This allows for a total capacity of requested 12 children under 2 ½ years old at 50 square feet per child.

Younger toddler room 3 (Marvelous Monkeys) measures 32ft. x 21ft. plus 10ft. x 3ft. for a total of 702 square feet. This allows for a total capacity of requested 12 children under 2 ½ years old at 50 square feet per child.

Infant room 4 (Happy Hippos) measures 32ft. x 21ft. plus 10ft. x 3ft. for a total of 702 square feet. This allows for a total capacity of requested 12 children under 2 ½ years old at 50 square feet per child.

There facility will utilize a total of 16 sinks and 4 toilets. This is sufficient for the new capacity of 73.

V. Recommendation

I recommend an increase in capacity, from 60 children to 73 children.

J. Manchester
