## III. DESCRIPTION OF FINDINGS & CONCLUSIONS

### A. Description of Facility

The Joyful Jungle, Clawson is a single-story building. It is located inside of Heritage Church of Christ. The child care facility will operate out of 4 rooms.

**Approved space (room numbers, sizes, capacity and ages of children for which each room/well-defined space is approved, etc.):**

The following rooms have been measured and approved for use by the children:

**Pre-K Room 1** (Zebra/Flamingo) measures 47ft. x 26ft. plus 21ft. x 5ft. plus 19 ft. x 6ft for a total of 1441 square feet. This room has the capacity of 41 children ages 2 ½ and older.

This space is divided into two separate learning groups (Zebras and Flamingo). Under this operation, Ms. Flanagan expressed an understanding that this space requires two lead caregivers. In addition, when children ages 2 ½ to 3 years of age are incorporated into this space the maximum group size cannot exceed 16.

**Older toddler room 2** (Outstanding Owls) measures 32ft. x 21ft. plus 10ft. x 3ft. for a total of 702 square feet. This allows for a total capacity of requested 12 children under 2 ½ years old at 50 square feet per child.

**Younger toddler room 3** (Marvelous Monkeys) measures 32ft. x 21ft. plus 10ft. x 3ft. for a total of 702 square feet. This allows for a total capacity of requested 12 children under 2 ½ years old at 50 square feet per child.

**Infant room 4** (Happy Hippos) measures 32ft. x 21ft. plus 10ft. x 3ft. for a total of 702 square feet. This allows for a total capacity of requested 12 children under 2 ½ years old at 50 square feet per child.

The center has sufficient space for the requested capacity of 60 children at any one time.

**Equipment:**

There is an adequate supply of toys and equipment for the children's use.

**Number of sinks and toilets:**

There facility will utilize a total of 16 sinks and 4 toilets. This is sufficient for the requested capacity of 60.

**Outdoor play area - location, fenced or not, water hazards:**

The onsite outside play area is located behind the center and wraps around one side of the building. The area is completely fenced. At the time of this onsite inspection, the play area is not approved for child use due to multiple safety hazards noted. An alternate play area will be utilized.

The facility will utilize the Parkland Park for outdoor play space. The park is located directly across from the child care facility. The crossing to get to the park is not located on a busy road. Ms. Flanagan is aware that the play area must be inspected before each use to ensure that no hazards are present.

**Documentation if a lead hazard risk assessment was required and the results:**

A lead hazard risk assessment was completed on 12/11/2021. There are no lead hazards noted.

**Documentation of playground safety:**

An alternative play area will be utilized; therefore, a certified playground inspection is not required.

**B. Program Description**

**Ages of children served:**

The center is licensed for children birth through age 12.

**Proposed days and hours of operation:**

The center is open Monday through Friday from 7:00AM to 6:00 PM.

**Full or part time (AM or PM sessions or both):**

The center offers full and part time care.

**Other program components - transportation, swimming, food service:**

Parents are responsible for providing transportation. The facility will provide food service and offer breakfast, morning snack, lunch, and afternoon snack. The center will not provide swimming.

**Name of program director and under what rules the program director is qualified:**

Tammy Bailey is the approved program director with a Bachelor of Science in Early Childhood Studies under R400.8113(7)(a) and (9).
