Dear Ms. Medina:

Attached is the Original Licensing Study Report for the above referenced facility. The study has determined substantial compliance with applicable licensing statutes and rules. Therefore, an original license with a maximum capacity of 45 is issued.

Please review the attached documentation for accuracy and contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report must be filed in your Licensing Notebook.

Sincerely,

II. DESCRIPTION OF FINDINGS & CONCLUSIONS

Little Treasures Early Childhood Center is a standalone building in Waterford that runs a program for children birth through 12 years of age. There are four classrooms at the center.

Approved space (room numbers, sizes, capacity and ages of children for which each room/well-defined space is approved, etc.):

The following rooms are approved for child care:

Infant Room measures 20' x 11' for a total of 220 square feet. This accommodates a capacity of 4 children in the ages of birth through 30 months.

Toddler Room measures 23' x 18' plus 11' X 13' for a total of 557 square feet. This accommodates a capacity of 11 children in the ages of birth through 30 months.

Preschool room 1 measures 25' x 10' plus 25' X 15' plus 17' X 5' for a total of 710 square feet. This accommodates a requested capacity of 19 children aged 4 years through school age.

Preschool room 2 measures 30' x 13' for a total of 390 square feet. This accommodates a capacity of 11 children aged 2.5 years through 4 years.

The total space is sufficient for the requested center capacity of 45 children, infant through 12 years of age.

A fire inspection with an A rating was completed on 6/2/22. An Environmental health inspection with an A rating was completed on 8/17/22.

Equipment:

The classrooms are furnished with a variety of developmentally appropriate equipment. There is an adequate amount of equipment to support the center's capacity. The center has provided a detailed equipment list to the Department.

Number of sinks and toilets:

The center has 3 toilets and 4 sinks. This is sufficient to accommodate the center's capacity of 45 children.

Outdoor play area - location, fenced or not, water hazards:

The outdoor play area is entirely fenced and located directly behind the building. There are no water hazards or elevated play equipment on the playground.

Documentation if a lead hazard risk assessment was required and the results:

A Lead hazard risk assessment was conducted on 7/29/22 and there was no lead found in the building.

Documentation of playground safety:

The outdoor play area does not have any elevated play structures and therefore does not require a playground inspection. The play area has play -houses, sand table, benches. There are push toys and balls for the playground.

A. Program Description

Ages of children served:

The center will serve children from birth to 12 years of age.

Proposed days and hours of operation:
