Dear Ms. Skoglund:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 12/08/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of the onsite inspection, Ms. Skoglund was present with one child care staff member and 13 children. I observed the children transitioning to circle time, where they participated in a story with discussion and a song. I observed positive interactions between children and staff.

As a result of the inspection, I did not find any rule or law violations.

During the exit conference, technical assistance/consultation was provided regarding the following:

- Ms. Skoglund was reminded that all new child care staff members must complete a consent and disclosure form and a comprehensive background check prior to having unsupervised contact with children.

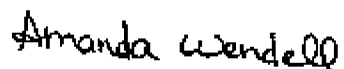

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
