Dear April Sunderlin-Cole:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 01/12/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During this onsite inspection, there were 12 child care children and 2 child care staff members. When I arrived, children were engaged in a circle time activity. Children then washed their hands and lunch was served. Caregivers assisted children throughout their lunch. Child care staff members actively engaged with children and communicated with them in a caring and developmentally appropriate manner.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.
