Dear April Sunderlin-Cole:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/12/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of this onsite inspection, there were 18 children in care and 2 caregivers. I observed the end of rest time, circle time, hand washing, snack time, and dismissal. Child care staff members were attentive to the needs of the children and interacted with them in a caring manner. I did not observe any safety concerns.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
