Dear Ms. Bradbury:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 09/22/2020. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of this onsite inspection, there were 13 children and 3 caregivers present. I arrived toward the end of rest time. I observed hand washing, snack time, and free choice play time. I observed children engaged in grocery shopping, coloring, and reading books. There was a variety of developmentally appropriate toys and equipment. Child care staff members interacted with children in a positive and caring manner.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2019:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (616) 356-0100.
