Dear Ms. Bradbury:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/21/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During this onsite inspection, I observed Evart 1 and Evart 2 classrooms. There were 15 children and 3 childcare staff members in Evart 1. I observed lunch in this classroom. There were 10 children and 3 childcare staff members in the Evart 2 classroom. I observed circle time activities including reading and large muscle activities. All childcare staff members interacted with children in a kind and developmentally appropriate manner. The needs of children in care were met promptly. I did not observe any safety concerns.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
