Dear Rebecca Miller:

This letter is to advise you that the 10/25/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8170 (11) Outdoor play area.	Ms. Miller did not obtain approval from a certified playground safety inspector prior to using newly added playground equipment.	Ms. Miller will not allow use of the new equipment until the inspection has been finalized.	Ongoing
R 400.8170 (13) Outdoor play area.	Ms. Miller did not ensure that all elevated play surfaces are surrounded by a shock absorbing surface.	Ms. Miller has added surfacing to the ground surrounding all elevated play surfaces.	Ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
