Tustin, MI 49688

Dear Rebecca Miller:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 11/03/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of this onsite inspection, I inspected the infant room, 2-year-old room, 3-year-old room, and preschool rooms. There were 7 children and 2 caregivers in the infant room. There were 10 children and 3 caregivers in the 1-year-old room. There were 6 children and two caregivers in the first 2-year-old room, and there were 4 children and 2 caregivers in the second 2-year-old room. There were 6 children and 3 caregivers in the preschool room. I observed diaper changes, handwashing, lunch, free choice play, and rest time. All caregivers interacted with children in a developmentally appropriate manner. The needs of children were met promptly and with kindness. I did not observe any safety concerns.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
