Dear Ms. Mitchell:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 01/19/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of this onsite inspection, there were 12 children and 3 child care staff members present. I observed children engaged in free choice play, a small group math activity, and lunch. I also observed appropriate handwashing. Caregivers interacted with children in a caring and developmentally appropriate manner. There is a variety of developmentally appropriate equipment. There were no safety hazards or concerns.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
