Dear Mrs. Olsson:

This letter is to advise you that the 04/08/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143(1)	Of 15 child information cards reviewed, 6 did not have completed allergy information, 2 did not have the name of the center, and 1 did not have the date of the parent's signature.	Ms. Olsson will review and correct child information cards	Within one week and ongoing
R 400.8143(11)	At the time of the inspection, there were 5 children signed into the infant room, but there were 6 children present.	Ms. Olsson will ensure that child care staff members are more conscientious of updating the attendance log.	Immediately and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0100.

Sincerely,
