Dear Ms. Winkler:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 10/21/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. At the time of my onsite inspection, I observed positive interactions between child care staff members and children. I observed snack service and story time.
