Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

- (b) A licensee designee.**
- (c) A child care staff member.**
- (d) A child care aide.**
- (e) An unsupervised volunteer.**

Two child care staff members were not deemed eligible by the Bureau prior to caring for children.

(6) Means of egress shall be maintained in an unobstructed, easily traveled condition at all times that the center is in operation. Means of egress shall not be exposed to inherent hazards of the building, including the heating plant, flammable storage, commercial kitchen, or other similar conditions.

The infant room has a temporary gate set up in the means of egress for the evacuation cribs.
