Findings of the Inspection

Purpose of Addendum: On 1/30/2024 I received a modification request for approval of the new playground equipment installed over the summer.

Findings and Conclusions: During the interim inspection I was informed new playground equipment had been installed. I requested that Rebecca Belka submit a modification request for approval of the new equipment. Rebecca Belka submitted a playground inspection to the bureau via email.

If you have questions regarding the report, please contact licensing consultant, Jessica Miranda-Bevier at 616-498-5459 or mirandabevierj@michigan.gov. In the event that Jessica Miranda-Bevier is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

Description of Facility
This child care center is located in the basement level of the Forest Grove Reformed Church. There are five rooms and a multi-purpose room that have been approved for child care use.

Approved Child Use Space

The licensee/ licensee designee understands that the ratio of child care staff member to children and the maximum group size is determined by the youngest child in the room. Equipment in the room must be appropriate for the ages of the children in the room.

Building/Wing	Room	Notes (location, well-defined space, etc.)	Lead Hazard Found
