Dear Julie Moes,

This letter is to advise you that the 11/29/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
722.115p(1)	During my inspection a school staff member took a child into a separate room. The school staff member had not had a child care licensing criminal history check completed. The school staff member was unsupervised during this time.	The program director will ensure any Educational Support Staff (ESS) who may be unsupervised with a preschool student have comprehensive background checks completed.	12/08/23

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
