RE: License #: DC700275490
St. Matthew Christian Child Care
15395 Rannes St.
Spring Lake, MI 49456

Dear Ms. Maniwczak:

This letter is to advise you that the 12/22/2021 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
400.8152(5)	Two medications that were being stored at the center for children were expired.	The medication was sent home with parents. Will more closely monitor expiration dates.	12/20/2021
400.8350(5)	The handwashing sink in the infant room was too hot.	Water temperature will be lowered below 120 degrees F.	01/30/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,
