Dear Ms. VanSomeren:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 03/28/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During my on-site inspection I observed outdoor play, activity time, and dismissal. There were 24 children in care with five child care staff member providing appropriate care and supervision. Staff ensured supervision by moving around the playground or cafeteria and checking in with students and helping as needed. Staff interacted with children in a positive and friendly manner; they engaged in conversations and joined in their activities. Center, staff, and child records were organized and complete.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read 'JMB', with a long horizontal flourish extending to the right.
