Dear Ms. Vereeke:

This letter is to advise you that the 03/03/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8128 Staff; volunteer; tuberculosis	Child care staff member, Kayla VanderZwaag had a TB test completed prior to employment but there was no evidence of a negative TB test on file.	Ms. VanderZwaag will have a new TB test completed and the results will be placed on file.	04/01/2022
R 400.8143(1) Children's records.	I inspected 10child information cards; some were missing information:	Staff will ensure that the missing information is completed and will ensure that this is completed as new children enroll.	04/01/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
