IV. Description of Findings and Conclusions

Starz Unlimited Christian Preschool is located at 596 Baldwin Street, Jenison Michigan 49428. It occupies space inside Jenison Soccer Zone. They have previously operated a tuition based preschool program and before/after school care. The terms of the license have been modified on 08/17/2017, 08/14/2019, and 03/09/2021.

The cafeteria measures approximately 34ft x 40ft, for a total of 1,360 square feet. This is sufficient space for up to 35 children at one time.

The Kangazoo room measures approximately 73ft x 16ft, for a total of 1,168 square feet. This is sufficient space for up to 33 children at one time. This room is not always available for use by the child care and does not count toward the overall capacity of the license.

In the Gym, there is a large portion of matted floor, which is approved as child use space. It measures approximately 18ft x 55ft and 36ft x 32ft, for a total of 2,142 square feet. This is sufficient space for up to 61 children. This room is not always available for use by the child care and does not count toward the overall capacity of the license.

Previously approved rooms include the preschool room.

- The preschool room measures approximately 25 ft. by 24 ft. for a total of 600 square feet. This allows for a total capacity of 17 preschool age children.
- The before and after school care room measures approximately 15 ft. by 19 ft. for a total of 285 square feet. This allows for a total of 8 school age children.

There are seven sinks, nine toilets, and three urinals available for children's use. This is sufficient to meet a new capacity of 60 children.

Starz Unlimited Learning Academy incorporates gymnastics into their daily learning curriculum. The gymnastic equipment has not been inspected through the Bureau of Child and Adult Licensing. There are trampolines on site which are not approved for use with child care children.

A new Fire Safety inspection was completed on 01/05/2021 with an A rating. A new Environmental Health inspection was completed on 02/25/2021 with an A rating.

V. Recommendation

I recommend the new child use spaces and an increase in the overall capacity of the license to 60.
