Dear Mollie Blixt,

This letter is to advise you that the 11/6/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1)	Child A sustained scrapes on his fingers and a scratch in his pelvic region while in care at the center. Based on staff interviews, no one knows when or how Child A sustained the injuries; therefore, staff failed to provide appropriate care and supervision of Child A at all times.	The program director conducted a staff meeting on 02/20/2023 to retrain staff on appropriate care and supervision. All staff are responsible for providing appropriate care and supervision at all times. The program director will provide training on appropriate care and supervision for all newly hired staff.	02/20/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
