RE: License #: DC720385223
Charlton Heston Academy 1

Dear Ms. Lawrence:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 08/11/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During the interim inspection, I observed three child care staff members (CCSMs) caring for a group of 5 infants. Caregivers were observed feeding infants, monitoring infant sleeping, changing diapers, putting infants to sleep in cribs, and providing care and comfort as needed if an infant was upset. All interactions between the CCSMs and the children were noted to be kind and focused on the immediate needs of the children in care.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
