Dear Ms. Fournier:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 12/09/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers. Another purpose of this inspection was to conduct a Safe Sleep follow up.

During the on-site inspection, I observed caregivers providing direct supervision of children sleeping during nap time. I observed safe sleep practices being utilized in the infant room. I observed diapering and proper handwashing techniques being utilized. I observed children initiated in free play and social development. I observed appropriate handwashing techniques being utilized before snack time. I also observed caregivers, parents, and children during pick up time. Required records were organized and readily available. Caregiver interactions with children were positive and nurturing.

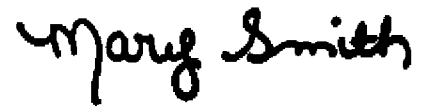

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
