Dear Ms. Prieur:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/31/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed the caregivers providing direct supervision of children napping during rest time upon arrival. I observed children engaged in arts and crafts. I observed children engaged in free play activities. I observed handwashing and snack time. I observed diapering and proper handwashing techniques being utilized. I observed infants engaged in tummy time and others in walkers/bouncers. I observed infants during feeding time. I observed caregivers, parents, and children during pick up time. Caregiver interactions with children were positive and nurturing. Required records were organized and readily available.

The violations that were found are:

R 400.8161	Emergency procedures.
	(5) A fire drill program, consisting of at least 1 fire drill quarterly, must be established and implemented.
The center did not complete a fire drill in the first quarter of 2023, as required.	

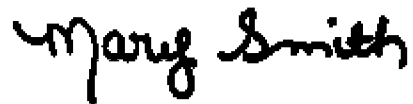

On 5/31/2023, you gave us an acceptable written corrective action plan.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
