Dear Ms. Reinig:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 03/15/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection, I observed children eating lunch upon my arrival. I observed several children engaged in literacy activities during small group time. I observed other children engaged in free play activities. I observed large circle time which included literacy activities. Caregiver interactions with children was observed to be positive and nurturing. Required records were organized and readily available for review.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.
