### A. Description of Facility

This child care center is located inside of St. Elizabeth's Catholic School which is located on M-81 in Reese, MI.

Room 216 was previously approved for child care for children over the age of 2.5 years. A handwashing sink has been added to the classroom to be used for diapering purposes, if necessary.

#### **The following areas were previously approved for use:**

Room 209 is the Preschool room. It provides 790 sq. ft.; providing adequate space for 22 children over the age of 2.5 years.

Room 215 is the Infant room. It provides 730 sq. ft.; providing adequate space for 14 children under the age of 2.5 years. The licensee understands for children up to the age of 30 months, the group size limit is 12 children.

Room 216 is the Toddler room. It measures 26ft. x 28ft., providing a total of 728 sq. ft. providing adequate space for 14 children under the age of 2.5 years. The licensee understands for children up to the age of 30 months, the group size limit is 12 children. The room has a bathroom with an age-appropriate toilet and a handwash sink. The diapering area is located just outside of the bathroom.

The cafeteria is used for the Latchkey program. This room provides 600 sq. ft. of child use space which is adequate for 17 children over the age of 2.5 years.

**The following areas are approved for use but are not included in the capacity:** Room 207 is a multi-purpose room and is not counted in the center's capacity. The room provides a total of 733 sq. ft. The room is used for several purposes. Room 213, the school library will be used by children at times, it was previously approved.

**Terms:** The child care center is licensed for 58 children, ages birth to 12 years.

**Equipment:** The center has an adequate amount and variety of age-appropriate materials, furniture, books, and games for the intended use. An updated equipment list was submitted for the modification's approval.

**Number of sinks and toilets:**

There are three toilets and six sinks total for the infant, toddler and preschool rooms. Children in child care and latchkey will use hallway bathrooms. There is an adequate number of sinks and toilets for the current capacity of 58.

**Outdoor play area - location, fenced or not, water hazards:** The outdoor play area is located directly in the back of the building. There is one large play area that is fenced. There is also a large grassy area that is not fenced in that will be used for outdoor play. There are no water hazards.

**Documentation if a lead hazard risk assessment was required and the results:** A lead hazard risk assessment was conducted on 08/09/2018 which included all the approved child care use space. No hazards were found.

An environmental health inspection was not required. The room was previously approved for child care, just a change in age range at this time.

*Form 5043, Certification of School Building Fire Safety Provisions, signed on 12/11/20, is on file.*

**Documentation of playground safety:** A playground safety inspection is not required as there is no installed playground equipment.

**B. Program Description**

**Ages of children served:** Little Bloomer's child care provides care for children birth through 12 years.

**Proposed days and hours of operation:** This center will operate Monday through Friday from 6:30 a.m. – 6:00 p.m.

**Full or part time (AM or PM sessions or both):** Children can be enrolled part-time or full-time.

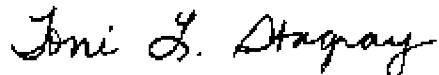

**Other program components - transportation, swimming, food service:** Food service will be provided. No transportation or swimming component is provided.

**Name of program director and under what rules the program director is qualified:** Maria Marguery-Costoya is the approved program director. She qualifies under R400.8113(9)(a) and (13). Ms. Marguery-Costoya is also the school principal.

**Explanation of variance(s), if any:** There are no variances.

**V. Recommendation**

I approve the change of age range for Room 216.
