Dear Ms. Sootsman:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/18/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed the caregivers providing direct supervision of children nap time. I observed children engaged in free play activities. I observed handwashing and snack time. I observed proper handwashing techniques being utilized. I observed infants engaged walkers/bouncers. I observed caregivers, parents, and children during pick up time. Caregiver interactions with children were positive and nurturing. Required records were organized and readily available.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
