Dear Ms. Pearson:

This letter is a follow-up to the on-site inspection conducted at your center on 02/01/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

I observed infants sleeping, following safe sleep protocol. I observed infants engaged in free play, and an infant being diapered.

The Department provides technical assistance to meet the licensing requirements and consultation to improve services.

Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, please contact the local office at (517) 284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "Kelly Millar". The signature is written in a cursive style with a large initial "K" and a distinct "M" at the end.
