RE: License #: DC730259422
Busy Bees Day Care Center
3821 State St
Bridgeport, MI 48722

Dear Michaelle Hollingsworth:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 07/07/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection, I observed the child care staff members providing direct supervision of children napping during rest time. I observed direct care staff during diapering in designated area. I observed the older children engaged in quiet activities which included reading and learning activities. I observed hand washing, eating lunch, and snack time. The children appeared happy and well bonded to the child care staff members. Required records were organized and readily available for review.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink, appearing to read "Takiyah Jackson". The signature is fluid and cursive, with the first name "Takiyah" and last name "Jackson" clearly distinguishable.
