Dear Ms. Johnson:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 02/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the onsite inspection, I observed the caregivers providing direct supervision of children napping during rest time upon my arrival. I observed safe sleep practices being utilized. I observed infants engaged in tummy time and being provided emotional support while being held by child care staff members. I observed handwashing and snack time. I observed older children engaged in free play activities. Caregiver interactions with children were observed to be positive and nurturing. Required records were organized and readily available for review.

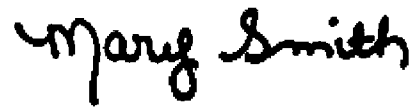

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-284-9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

A handwritten signature in black ink that reads "Mary Smith". The signature is written in a cursive style with a large, looped "M" and a clear "S".
