Dear Ms. Betts:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 04/18/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

During the on-site inspection, I observed the caregivers providing direct supervision of children napping during rest time upon arrival. I observed some younger children eating lunch. I observed children engaged in small circle time while engaged in literacy activities. I observed handwashing and snack time. I observed caregivers, parents, and children during pick up time. Caregiver interactions with children was observed to be positive and nurturing. Required records were organized and readily available for review.

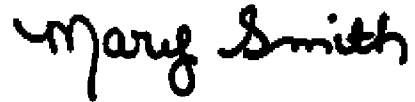

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
